THE DIFFRENT BETWEEN TRADITIONAL & MODEL CONCEPT!

The IV6F GLATT Invisible Induction Hob lets you cook directly on your countertop for a seamless and modern kitchen experience. Designed with a 2-cook zone system, power booster, and safety features like lock and auto-off, it's perfect for safe, efficient, and stylish cooking.

TRADITIONAL KITCHEN STOVE

INVISIBLE INDUCTION HOB

Direct Cook from CounterTop

In the realm of innovation, we introduce the invisible induction hob: a perfect blend of cutting-edge technology and sleek aesthetics. This device, unseen when not in use, seamlessly merges with your kitchen countertop

Safety Features

Invisible induction hobs come with built-in safety features such as child locks, automatic shutoff timers, and pan detection. These features help prevent accidents and enhance overall kitchen safety.

Save of Space

Traditional cooktops can take up valuable counter space. The invisible induction hob eliminates this issue, allowing you to use the countertop for other purposes when not cooking
