# Integrated Series

Model: DOA4

This highly effective and slimmer integrated system, it created more space in your kitchen area and the hood rapidly eliminates unwanted kitchen smoke, steam and smell right away downwards. It's not magic. It's a creation of Plasma and UV light technology.

Model: DOA4

# Plasma Technology

## All you need to know

The Plasma air purifying filter technology means the filter performs as efficiently as a traditional filter and ducted hood. The plasma converts the  $O_2$  molecules to  $O_3$  molecules, eliminating odour particles. Recirculates air back into the room making it more environmentally friendly.
