Wall Mounted Hood and Induction Hob

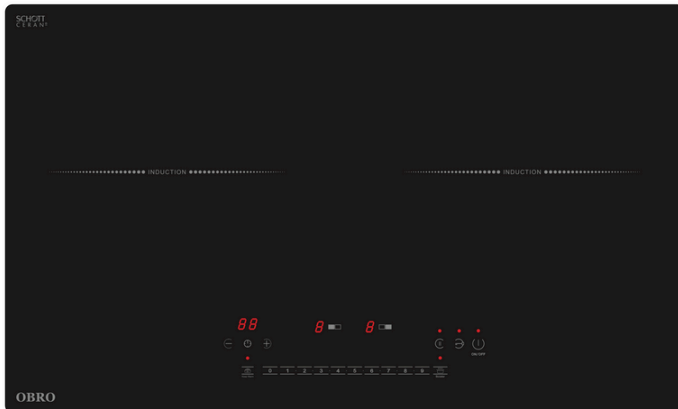

600mm Series

Model: HWT6 and ID22 (Set)

It is no surprise that wall mounted cooker hoods can actually absorb large amount of heat created by cooking. HWT6 Glanz removes moisture from the air, fights the build-up of mould that causes damage to your walls and also filters smells out of the air giving you a pleasant kitchen to work in.

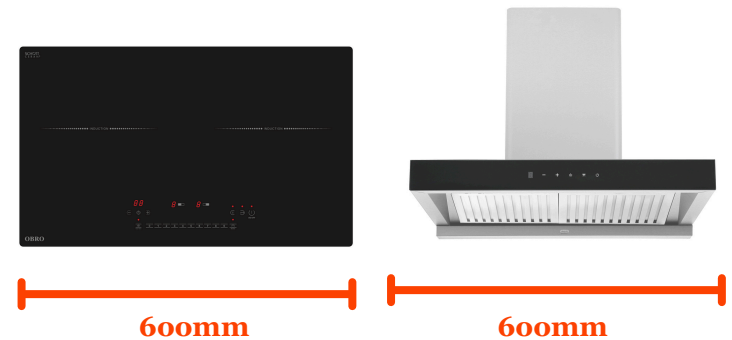

Model: HWT6

Model: ID22

Save Space

All you need to know

This is a compact hood and hob in the market - the 600mm series. This system is to eliminate the old huge and bulky hood and hob. It can help to save more valuable kitchen space and allowing you to use the countertop for other purposes when not cooking

Wall Mounted Hood and Induction Hob
